

**TUTORING**  
**(11/12/12), (Updated 2/18/19)**

As part of its mission to be an educational resource of the Borough, the Library supports many forms of instruction and educational enrichment. The Library provides workspace for tutors and students on a space-available basis. The Director may limit where and when tutors meet with their students to ensure the equitable use of resources.

The Library does not provide individual tutoring services, nor does it endorse or recommend tutors. The Library accepts no responsibility or liability in this regard.

All Library patrons are required to follow the Library's Patron Code of Conduct.
